

**ABINGDON GROUP OF
RIDING FOR THE DISABLED ASSOCIATION**

The aim of the Riding for the Disabled Association is to give the opportunity of riding or driving to any disabled person who might benefit in their general health and happiness. The Group provides riding, and vaulting for disabled people within a 30 mile radius. All lessons take place at their purpose built riding centre, just outside Southmoor. The Group is totally self supporting financially, with a team of 12 horses, 132 riders and 159 voluntary helpers. Our costs are continually rising, with the current annual budget estimated to be £90,000

Voluntary helpers are always required at the stables. If you would like to help, or if you know of someone aged 16 or more who may be interested, please contact us.
