## Abingdon RDA Volunteer Application Form

Thank you for your interest in volunteering. Not all classes are in immediate need for new volunteers and your preferred time slot/task may be fully subscribed. However, we may be able to add you to a waiting/emergency volunteer list so that you can help during holiday time or sickness.

Please complete this form, save it and attach it to an email send to [RDA@greytiles.plus.com](mailto:RDA@greytiles.plus.com) If you have difficulty, please send an [email](#) indicating where you need help.

Once we have received it, we will contact you with further information.
