

| Pony/Horse Foibles and Information. | |
|---|--|
|  Bryn | A bit cheeky and sometimes has been known to spook at toys. Difficult when he has back feet picked out, therefore needs someone experienced to do this. A bit stiff sometimes. Likes to escape and hard to catch when he does. Thin black felt between saddle & pad. Weight limit 7st/44.5kg |
|  Jasper | Well behaved but can get very excited and strong when off the lead. No canter work – moderate work in school. Short hacks only. Damaged tendons inside hoof. Take great care picking out hooves – do not dig the green pads out! Weight limit 8st/50kg |
|  Mr Brown | A gentle chap with a tendency to lameness. He is getting on in years - gentle riding. Thin black felt between saddle & pad. Weight limit 7st/44.5kg |
|  Candy | A lovely nature – hates having the dentist and being wormed. Blind in one eye, so care and attention must be given. Eyes are inclined to weep, so gentle wiping needed when grooming. Getting on in years – gentle riding. Weight limit 6st/38kg. |
|  Prin | Needs plenty of leg but a safe ride. Inclined to sore back. Place saddle further back than normal. Inclined to be very itchy. Weight limit 11.5st/73kg |
|  Maple | A lovely pony with a trot that floats. Doesn't like too much rein contact and is best ridden using legs and seat. Inclined to head shake when she is uncomfortable. Not too keen on whips! Weight limit 9.5st/60.5kg |
|  Marshall | No vices. Slight blindness in both eyes therefore no sudden movements please. Weight limit 9st/60.34kg |
|  Duke | A nice boy but has an old stifle injury, so no cantering or sharp turns. Try to keep active behind to prevent forehead dropping. Weight limit 10.5st/60.54kg |
|  Wizard | Likes to scare everyone by lying flat out in his stall and playing dead. No vices. No general saddle – Total Contact saddle only. Weight limit 8st/50kg |
|  Elbow | A sweet mare. Can be a bit strong on the lead. No other vices. Inclined to kick geldings and can rear in-hand when stressed. Back legs/wide berth. Weight limit 9st/60.34kg |
|  Jim Bob | Tri colour and can be a bit tetchy. Can kick so back legs/wide berth! Advice is tie up when grooming. A good horse to canter when he is fit enough (some issues). Can put in the occasional buck due to ongoing gut issues. Weight limit 11.5st/73kg |
|  Rosie | Can be feisty and spooky. Not very well behaved in the stable and needs careful gentle handling. She doesn't like having her bridle on, so experienced handlers only. Old poll injury therefore struggles with confidence and dropping head for bridle. Thin black felt between saddle & pad. Weight limit 11st/63kg |
|  Ernie | Not a novice ride but a great one! Can be spooky, especially outside. No road hacking. Weight limit 10st/63kg |
|  Bill | Not a novice ride – can be very strong. Well-mannered on the ground. Hates whips. Struggles with ongoing hock & stifle pain (in treatment). Weight limit 13st/86kg |

If any rider falls off, please can instructor notify others via the WhatsApp group giving as much info as possible?
